“VENTURE SKI IS A COMPANY I WILL DEFINITELY RECOMMEND TO ALL OUR FRIENDS. THE SERVICE FROM THE VERY FIRST PHONE CALL, TO ORGANISING OUR PASSES, LESSONS AND OUR ACCOMMODATION WERE FAULTLESS.”

ADVENTURE

No matter what your ability we bring adventure to your holiday. Not only the perfect location for beginners and improvers, the mountain region of Sainte Foy is widely regarded as having the best off-piste terrain in France. The South-West aspect offers shelter from wind, plenty of sun, yet long-lasting snow conditions. The first chair lift (1550m) is just two minutes from your chalet door and it starts the journey to the Col d'Aiguille peak (2620m). The experienced can then 'tour' up to the Pointe de la Foglietta (2930m) for the season-long 'Champagne' powder. Still not satisfied? How about we arrange our helicopter and a guide to collect you from right outside your chalet and drop you on the Glacier de Ruitor (Italy) just behind Sainte Foy?

FUN

The most impeccable professional service combines with an informal and friendly atmosphere. What are you in the mood for? How about complimentary ski hosting, mountain picnic lunches, racquet walking, husky-dogs, sledging or just great fun skiing and boarding? Bringing the children? Our trained English nannies will organise the activities on the nursery slopes for little skiers or if the weather is inclement, face painting, movies and games in our crèche.

“AN EXCITING SKI RESORT. CATCH IT NOW IN ALL ITS UNSPOILT GLORY.” The Daily Telegraph

SAINTE FOY

The jewel of the Tarentaise, it's a refreshing change from the concrete jungles found in some of the larger alpine resorts it has been designed with great care to maintain the character of a typical alpine village. Friendly, fun and welcoming. The chalets that nestle amongst the trees in their southwest-facing bowl have all been built in traditional style, with pitched roofs and wooden balconies and large columns, using local stone and wood. Neighbouring Val d'Iser's Savoyard buildings were inspired by Sainte Foy. Popular with beginners and families alike because of the uncrowded pistes and lack of lift queues, it is renowned as a 'Mecca' for experts who venture off-piste in search of untouched powder snow.

“I REALLY LOVE STE FOY, YOU’RE PRETTY MUCH GUARANTEED TO FIND FRESH VIRGIN SNOW ANYTIME WHICH IS UNHEARD OF IN THE ALPS THESE DAYS.” Leslie McKenna (British Champion & UK’s most successful Snowboarder)

“NO LIFT QUEUES, EMPTY PISTES AND AWESOME OFF-PISTE, WHO NEEDS TO GO ANYWHERE ELSE?” Ski Club GB

LUXURY ACCOMMODATION

Venture Ski chalets are situated at Les Residence les Forets in Sainte Foy. Just two minutes from the main lift in the resort and with ski-in access, our chalets are separated from the main village, keeping the exclusivity and privacy that our guests prefer.

We have created a relaxed, contemporary atmosphere, where you can unwind while our hosts make sure your needs are met.

“THE FEELING OF A HOME AWAY FROM HOME, COMFORT AND RELAXATION
WAS LIKE NO OTHER HOLIDAY I’VE BEEN ON. JUST GREAT.”

MOSAIC AND MARBLE BATH IN THE HONEYMOON SUITE

GOURMET CUISINE

Our catered service - decadent, luxurious, yet still friendly, informal and fun. Start the day with tea or coffee in bed while our chalet hosts prepare a breakfast fit for a day of adrenalin on the slopes.

Then returning to your chalet in the afternoon, your hosts will have left you tea and cakes to help you warm up for the evening.

Dinner starts with a drink and canapés as your friends gather, then a three-course gourmet dinner with wine, followed by coffee or tea in the sitting room. Just tell us what you want and we deliver.

“OUR HOLIDAY WAS PERFECT IN EVERY WAY... THE MOST FANTASTIC FOOD, BETTER THAN ANY RESTAURANT.”

CHILD CARE

Our professional nannies will look after your children from 9:00am to 5:30pm including lunch and children's 'high tea'. The children will enjoy indoor and outdoor activities (depending on weather). If your child is in ski school they will be dropped off and picked up, and for the younger ones (particularly on the first day or two) our nannies will endeavour to monitor their progress in ski school to ensure they are settling in and having fun.

Apart from skiing and boarding, our children's activities include: sledging, making snowmen, arts and crafts, indoor and outdoor games.

For added safety children are issued bibs for easy identification on the slopes. All childcare is subject to availability, so we recommend you try to make reservations as early as possible.

WE KNOW THAT IF YOUR LITTLE ONES HAVE A GREAT TIME THEN YOU WILL HAVE A GREAT HOLIDAY TOO.

VENTURE SKI CRÈCHE 8:59AM

SPA

The swimming pool and health suite in chalet Les Sapins is available for all guests to use. It's the perfect remedy for those tired skiing muscles. At the end of the day you can relax by the pool and pamper yourself with a sauna, jacuzzi or book a deep tissue, reflexology, hot stone or relaxation session with our masseuse!

SKI HOSTING

A great feature of Sainte Foy is the proximity to a number of other massive ski areas. *Venture Ski* is pleased to offer complimentary hosted tours of these resorts as part of our service.

Usually we take two groups: one for leisurely skiers and one for those with intermediate/advanced ability. Don't worry, we will not ski on difficult or black runs unless the whole group wants to.

The neighbouring resorts are all close by - Les Arcs is the nearest being just a few minutes across the valley whilst Tignes, Val d'Isere and La Rosiere are only 20 minutes by road.

Your hosts are there to show you around the mountain and ensure you have a fun time! They will use their local knowledge to choose the best possible pistes based on the snow and weather conditions. *Venture Ski* will not go off-piste or offer any instruction, instead we recommend the Ecole du Ski Francais and support local expert off-piste guides. We can help with these arrangements.

INTRODUCTION TO OFF-PISTE

If you are an intermediate or advanced skier and can get down most pisted runs, we've got news for you; there's a whole new world out there off-piste and you don't have to be an expert to go there. *Venture Ski's* introductory clinics will take a competent red piste skier and in a safe and fun environment show you how to use the right equipment, how to 'read' the mountain and snow conditions, follow a guide and learn powder skiing techniques. And no, you don't have to be super fit. We'll guarantee one thing: it'll be the best ski holiday you've ever had.

TAILORED HOLIDAYS

Looking for something a bit different, then why not consult one of our team today? Our holidays are specifically designed for groups of skiers who love luxury, adventure and fun. Our **Gourmet Week** caters to those seasoned adventurers who appreciate more relaxed fun on the slopes, a good bottle of wine and a luxurious comfy bed! Our **Introduction to Off Piste** clinics will take you to the next level. No more steady intermediate piste skiing for you – you're going into the wild back country and you'll never want to come back!

“THANK YOU FOR YOUR WONDERFUL ORGANISATION LAST WEEK. WE REALLY IMPRESSED OUR KEY CLIENTS AND ALL OF THEM HAVE CONTACTED ME SINCE TO SAY THEY LOVED THE TRIP. SEE YOU NEXT MONTH WHEN I BRING THE FAMILY OUT!” Neil Hammerton, Vice President, EMEA, SaaS Sales and Marketing - Webroot Software Inc.

CORPORATE SKI SOLUTIONS

The Alps are not only a stunning place to visit on holiday but also a quiet and focused place to do business. Think tanks, brainstorming, networking and rewards for service are key reasons for taking your work to the mountains. *Venture Ski* can tailor for groups of six to 60 and provide conference facilities, individual or shared accommodation and arrange teambuilding activities such as guided off-piste skiing, heli skiing and dinners in remote mountain restaurants.

HELI SKIING

There are few other activities that compare with heli skiing. It is the ultimate challenge to your ability and to participate you are one of a lucky few. Contrary to popular belief it doesn't have to 'break the bank' either, and *Venture Ski* operate regular trips directly from the grounds at Les Residence les Forets.

Imagine finishing a hearty breakfast then grabbing your skis and strolling just 20 metres to the helipad. You greet your guide, listen to his briefing and strap on your transceiver. Then your helicopter arrives and just twenty minutes later you're standing on top of an untracked mountain. The day has only just begun because you're going to ski all the way back to your chalet. It really doesn't get much better than that!

"...THE COGNOSCENTI APPARENTLY STAY IN SAINTE FOY, WHICH HAS THE FURTHER LURE THAT IT ALSO OFFERS HELI SKIING AS IT IS CLOSE TO THE FRONTIER. HELI SKIING IS NOT ALLOWED IN FRANCE." The Independent Online

CHALET LES ORMES 4.15PM
