- Wifi lounge/bar beneath chalet
- Private Chef and Chalet Hosts
- Four-course Gourmet dinner with fine house wines
- Sauna and hot-tub
- Massage treatment facilities & service
- Chauffeur and resort minivan shuttle service
- Toys, sledges, games & books
- High chairs, prams, in-car child seats, steriliser etc.
- Full Service

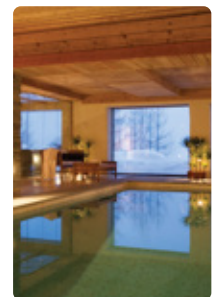

This large four-floor Savoyard building has eight en-suite double rooms and two en-suite family rooms. There is a private spa on the lower ground floor (also with

views across the valley) with a hot-tub, sauna, changing room and massage treatment room.

The interior design of each floor allows plenty of flexibility to be part of a large group, but with separation and personal space when needed.

### Summary Information:

10 en-suite bedrooms, 24 beds in total. Mixture of double, twin and family rooms. Flat-screens, DVD/CD player in 1st & 2nd floor rooms, G/F rooms have private lounge also with Flat-screen, DVD/CD player. Spa on lower ground floor. Small play room, wifi reception area and ski equipment room on ground floor. Sitting/dining room with log fire, iPod station on first floor with views across the Isere Valley.
